ABDUL KAPOOR

Web developer

PROFILE SUMMARY

Hi! I'm a recent graduate with a Bachelor's degree in Computer Science and Engineering and I love building websites. I'm just starting my career, but I'm excited to learn and grow in the field. I have experience with HTML, CSS, Tailwindcss, JavaScript, and React and backend technologies.

I'm passionate about learning new things and solving problems. I'm looking for opportunities to work with a team, learn from others, and contribute to creating amazing websites.
