ABDUL KAPOOR

Frontend web developer

PROFILE SUMMARY

Hi! I'm a final year student as Bachelor in computer science loves building websites. I'm just starting my career, but I'm excited to learn and grow in the field. I have experience with HTML, CSS, JavaScript, and React. I'm passionate about learning new things and solving problems. I'm looking for opportunities to work with a team, learn from others, and help create amazing websites.
